

DIGITAL TRANSFER MEDIA FOR
INK-JET PRINTERS

FOREVER®

DIGITAL TRANSFER APPLICATIONS TECHNOLOGY

FOREVER has been developing transfer paper for color copiers and laser printers since 1989. We are one of the few real manufacturers in this industry and we offer ideal solutions for printing on all kinds of different materials. As one of the first producers, we also provide transfer paper for the new generation of color copiers and laser printers.

Our broad product range covers our customers' needs on transfer paper for light and dark colored textiles as well as for hard surfaces.

Our Strength is Research and Development. We observe the market trends and develop the right products at the right time. One of the main reasons for our international success is "Product Consistency". With high-quality products we were able to win customers in more than 100 countries all over the world.

The name FOREVER has been chosen on purpose, reflecting the expectations we have on ourselves to develop superior quality products with permanent stability for the digital transfer printing industry.
