TRANSFER SOLUTIONS FOR YOUR BUSINESS

It has never been easier to customize textiles and hard surfaces with a CMYK or monochrome laser printer.

Throughout the years, FOREVER has solved many of the transfer problems associated with the personalization of various textiles and hards surfaces.

With FOREVER digital transfer solutions at your disposal, your business will only prosper and grow. You will never turn another customer away empty-handed.

We have developed products for both light and dark cotton to polyester, leather, silk, mugs, glass, mirrors and much more.

- DIN A3XL/12.5x19"

LASER-DARK

Would you like to print on denim, leather and cotton textiles? How about dark garments with colorful designs including white?

Laser-Dark transfer paper is a high-quality plottable solution for printing vibrant designs, plus white, onto dark garments. Processing is easy and offers high washability.

ADVANTAGES

- Black & dark colored textiles
- 1-paper solution
- White opaque transfer paper
- Sharp image quality
- Clean cut edges
- Washing resistance up to 40°C/104°F
- Print & Cut Solution

APPLICATIONS & MATERIALS

- Cotton
- Leather
- Denim
- T-shirts
- Jeans
- Bags

FORMAT

- DIN A4
- 8.5" x 11"
- DIN A3
- 11" x 17"

LASER-DARK NEW GENERATION

Use Laser-Dark New Generation to print colorful designs including white on to dark color textiles. Offer your customers clean cut designs that retain their quality, even after several washes.

Laser-Dark New Generation transfer paper is especially suitable for color laser printers with high temperature fixation.

ADVANTAGES

- Black & dark colored textiles
- 1-paper solution
- White opaque transfer paper
- Sharp image quality
- Clean cut edges
- Washability up to 40°C/104°F
- Print & Cut Solution

APPLICATIONS & MATERIALS

- Cotton
- Leather
- Denim
- T-shirts
- Jeans
- Bags

FORMAT

- DIN A4
- 8.5" x 11"
- DIN A3
- 11" x 17"

CLASSIC

As the name suggests, this product is our classic transfer paper for printing colorful vector designs and photos on white and light colored textiles. Classic is best suited for printers with silicone oil.

Press your designs onto materials with a textile surface such as t-shirts, caps and mouse pads. The feel is soft and the processing very easy.

ADVANTAGES

- Materials with textile surfaces
- White & light colored textiles
- 1-paper solution
- Barely visible background
- Soft touch
- Easy processing
- Washability up to 60°C/140°F

APPLICATIONS & MATERIALS

- Cotton
- T-shirts
- Mouse pads
- Caps

FORMAT

- DIN A4
- 8.5" x 11"
- DIN A3
- 11" x 17"

CLASSIC+ UNIVERSAL

Would you like to finish different light-colored textile products with a transfer print?

Classic+ Universal is easy to process and suitable for printing on all common types of textiles. The background is barely visible with this 1-paper solution and the print offers a pleasantly soft feel.

ADVANTAGES

- Materials with textile surfaces
- White & light colored textiles
- 1-paper solution
- Barely visible background
- Soft touch
- Easy processing
- Washability up to 40°C/104°F

APPLICATIONS & MATERIALS

- Cotton
- T-shirts
- Mouse pads
- Caps

FORMAT

- DIN A4
- 8.5" x 11"
- DIN A3
- 11" x 17"

FIVE STAR UNIVERSAL

Five Star Universal has the same excellent properties as our proven Classic and Classic+ Universal transfer paper - but with a slightly thicker coating, so you can easily print on coarse-meshed textiles such as jute bags, sweatshirts or polo shirts.

Five Star Universal was specially developed for these applications. It is easy to process and offers a high washability.

ADVANTAGES

- White & light colored textiles
- 1-paper solution
- Coarse-mesh or thicker textiles
- Easy processing
- Barely visible background
- Washability up to 60°C/140°F

APPLICATIONS & MATERIALS

- Jute bags
- Sweatshirts
- Polo shirts

FORMAT

- DIN A4
- 8.5" x 11"
- DIN A3
- 11" x 17"

LASER-TRANSPARENT (NO BACKGROUND)

Laser-Transparent (No Background) is ideal for printing colorful detailed vector designs on to white and light textiles - without a background.

This self-weeding transfer solution, you can finish white and light-colored textiles, made from cotton and mixed fabrics. Due to its soft, textile feel and the fact that no background is transferred, the prints have a particularly high-quality effect.

ADVANTAGES

- White & light colored textiles
- 1-paper solution
- Simple processing
- No background
- No cutting and weeding
- Very soft feel
- Print fine details
- Open designs

APPLICATIONS & MATERIALS

- Cotton
- Polyester
- Blended fabrics
- T-shirts
- Jute bags

FORMAT

- DIN A4
- 8.5" x 11"
- DIN A3
- 11" x 17"

MULTI-TRANS

Multi-Trans is a high quality no-weeding 1-paper solution for printing onto almost all smooth and rigid substrates, such as mugs, metal, glass and other similar substrates.

ADVANTAGES

- 1-paper solution
- No background
- No cutting & no weeding
- Multi-color designs
- Print fine details
- Vivid & brilliant colors
- Numerous applications

APPLICATIONS & MATERIALS

- Mugs
- Mirrors
- Plates
- Tiles
- Pens
- Magnetic Vinyls
- Acrylic glass
- Metal
- Ceramic

FORMAT

- DIN A4
- 8.5" x 11"
- DIN A3
- 11" x 17"

MULTI-TRANS NEW PRO

Multi-Trans PRO offers an all-round solution for printing on various hard surfaces and specifically solves the problem of personalising complicated rough surfaces such as wood, paper, cardboard, cork & other similar substrates.

Produce an endless variety of substrates for wedding decorations, merch, packaging to heat sensitive materials.

ADVANTAGES

- Ideal for rough surfaces
- Simple processing
- Low application temperature: 110-160°C/230-320°F
- Short pressing time: 1-15 sec.
- Hot/warm peel

MATERIALS

- Wood
- Paper
- Cardboard
- Metal
- Mirror
- Glass
- Leather
- Cork

APPLICATIONS

- Wooden products
- Paper bags
- Mugs
- Coasters
- Masks (1-use)
- Plastic (PP) drinking bottles
- Book covers (uncoated)
- Napkins

FORMAT

- DIN A4
- 8.5" x 11"
- DIN A3
- 11" x 17"

MULTI-TRANS METALLIC

Have you always wanted to print gold, silver or bronze on hard surfaces without investing in costly equipment?

Multi-Trans Metallic was developed specifically for printing single-color metallic designs on to light and dark colored hard surfaces. Such as mugs, mirrors and acrylic glass. This 1-paper system is very easy to use, durable and produces luxurious metallic finishes to many hard surfaces.

ADVANTAGES

- 1-paper solution
- Simple processing
- No background
- No cutting & no weeding
- Print fine details
- Luxurious metallic effects
- Numerous applications
- Metallic gold, silver & bronze

APPLICATIONS & MATERIALS

- Mugs
- Mirrors
- Plates
- Tiles
- Pens
- Wood
- Magnetic Vinyls
- Chromolux
- Acrylic glass
- Metal

FORMAT

- DIN A4
- 8.5" x 11"
- DIN A3
- 11" x 17"
