INSTA 256

FOREVER EDITION

CONSISTENT, EFFECTIVE & PROFITABLE

Forever & Insta Graphic Systems have teamed up, to create the best heat press solution for No-Cut transfer media. Transfers & garments damaged by an inconsistent heat press with cold spots & low-pressure points on the platen, are a thing of the past with the Insta 256 Forever Edition.

ADVANTAGES

NO-CUT TRANSFERS

Fitted with a new lower platen mat for the best no-cut transfers. A newer upper platen offers perfect heat & pressure distribution across the entire surface - for the best & more consistent no-cut transfers.

RELIABLE & DURABLE

The INSTA 256 Forever Edition heat press is built-to-last. Insta machines have an average useful life of 25+ years. They're one of the most reliable & durable heat presses on the market.

EXTREMELY HIGH PRESSURE

The Insta 256 Forever Edition heat press has up to 4x more pressure than standard heat presses in its class and this is achieved without a compressor.

EDGE-TO-EDGE HEAT & PRESSURE

With its 180° swing-away design & Insta's edge-to-edge platen technology - pressure & heat are both evenly distributed across the entire platen.

FEATURES

2.8"/7.1CM GAP OPENING

Press custom products or substrates up to 2.5"/6.3cm thick.

EFFORTLESS OPERATION

Open & close the upper platen effortlessly with the ergonomic handle.

FASTEST HEAT RECOVERY

Heated from within for consistent, long-lasting heat & the fastest heat recovery.

INTERCHANGEABLE PLATENS

Press smaller products or special sizes, such as t-shirt pockets, logos or sleeves.
