BRAND NEW
A-FOIL PRO
DTF-LIKE STRETCHABILITY

DTF-LIKE STRETCHABILITY

A-Foil PRO adds DTF-like stretchability to your White Toner prints. That means your designs stay flexible, bounce back to shape and feel soft to the touch - helping your products look better for longer.

Used with **B-Paper PRO**, this no-cutting, no-weeding system is easy to use and perfect for growing your business with results your customers can see and feel.

Bring more performance to every print, without changing your setup.

STRETCHABLE

LASER-DARK (NO-CUT) A-FOIL PRO & B-PAPER PRO

With DTF-like stretchability, A-Foil PRO improves flexibility and wash durability in white toner transfers. Designed exclusively for use with B-Paper PRO, this 2-step, no-cut system delivers soft-touch results and long-lasting quality - ideal for businesses focused on performance and reliability.

ADVANTAGES

- Stretchable
- Vibrant & Brilliant Colors
- Multiple Applications
- Multi-Color Designs
- No Cutting & No Weeding
- Soft Touch
- High Washability
- OEKO-TEX STANDARD 100 (Class 1) Certified

- DIN A4XL/8.5x17"
- DIN A3/11x17"
- DIN A3XL/12.5x19"

WHEN TIME IS TIGHT & QUALITY MATTERS

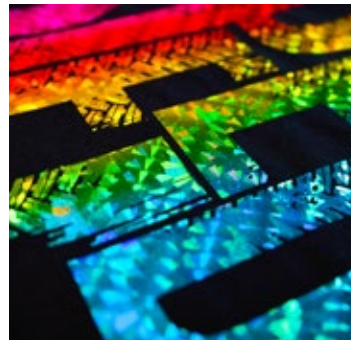

Your customer needs vibrant prints on black tees - fast. Full color & fine details. Add a touch of metallic foil? Even better. With **Laser-Dark (No-Cut)**, you're ready.

No weeding. No vinyl. Just bold, quality results with optional **Hot Stamping Foil** finishes that take your designs up a level. Whether it's 10 pieces or 100, the process stays simple, clean and profitable.

You save time. You reduce waste. You add value. That's how you meet demand - and grow your business.

► DARK & LIGHT GARMENTS

LASER-DARK (NO-CUT) A-FOIL & B-PAPER LOWTEMP

A 2-paper system using A-Foil and B-Paper LowTemp. Create high-detail transfers - no cutting, no weeding required. Suitable for textiles, leather, paper and wood. Add value with hot stamping foils. Soft-touch feel, durable results and OEKO-TEX STANDARD 100 certified.

ADVANTAGES

AT THE SPEED OF LIGHT

Sometimes jobs need to be done quick and cost-efficient. FOREVER's Laser-Light (No-Cut) media for White Toner printers does not require a marrying step. It allows you to print garments in a fraction of the time for a fraction of the cost. Great for all those giveaway promotional shirts or cotton tote bags.

Simply print, press & peel warm. Laser-Light (No-Cut) provides outstanding color vibrancy onto light colored garments (white, grey, pastel, etc.) thanks to the White Toner used. Tip: If you prefer a washed out vintage look, try it onto darker garments.

▶ LIGHT COLORED GARMENTS

LASER-LIGHT (NO-CUT)

Fast, cost-effective transfers for light-colored garments - no cutting, no weeding. Laser-Light (No-Cut) is a 1-paper solution that delivers bright and vibrant colors with a soft touch. Perfect for promo shirts, tote bags and paper goods.

Easy press-and-peel application makes it ideal for high-volume runs. Soft feel, high wash durability and certified safe with OEKO-TEX STANDARD 100.

ADVANTAGES

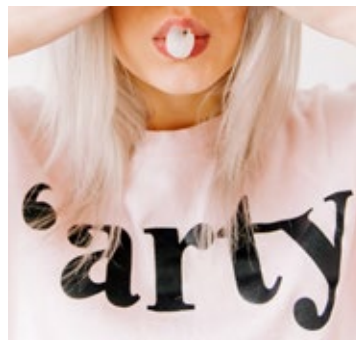

- 1-Paper Process
- Multi-Color Designs
- No Cutting & No Weeding
- Soft Touch
- Washable up to 30°C/86°F
- Vibrant & Brilliant Colors
- OEKO-TEX STANDARD 100 (Class 1) Certified

ARE YOU STILL WEEDING?

With Flex-Soft (No-Cut) you can create trending vintage looks, print ultra-fine text and single-color designs with detail, that you only know from screen printed designs.

This self-weeding vinyl alternative can also be used on your white toner system. Enhance your system with shiny metallic and super-vibrant standard matte colors. You can also combine Flex-Soft (No-Cut) with Laser-Dark (No-Cut). Discover the limitless possibilities.

▶ NO-CUT FLEX LIKE VINYL

FLEX-SOFT (NO-CUT)

Create ultra-fine, single-color designs without cutting or weeding. Flex-Soft (No-Cut) is a 2-paper system with stunning metallic and matte color options. Ideal for text, logos and vintage looks on garments, paper, wood and more. Easy to use, low investment and high impact.
